1,000 miles in 75 days to support hvoss Community Wheels

Can you help turn every mile into support? Tim Powell-Tuck is taking on an ambitious fundraising challenge: completing 1,000 miles in just 75 days, beginning on 3 August, through a mix of running, cycling and swimming. It is a big personal commitment, and every donation—large or small—will help keep him moving towards the finish line.
Tim is raising funds for **hvoss Community Wheels**, our essential community transport scheme for people who do not have access to public transport or are unable to use it. Community Wheels helps people maintain links with friends and family, attend appointments, take part in community life and remain independent.
How to sponsor Tim: Sponsor Tim's 1,000-mile challenge and support hvoss' Community Wheels. Every donation will make a difference! Click on the link above or button below.
Please share this appeal with anyone who may wish to support Tim, cheer him on, or help spread the word during the challenge.

Help Tim to achieve his goal!

Volunteering in your community -- you can make a difference

hvoss
herefordshire voluntary organisations support service

Who can volunteer?

You can. Anyone. Whatever your age, background or experience, you will have a skill that someone needs or time that an organisation would love you to share with them.

Volunteering opportunities vary enormously. You may want something that is a routine commitment, or which is only when you have the time occasionaly. There are volunteer roles to suit everyone and what time they have available.

Volunteering is a great way to improve confidence, learn new skills and create new friendships -- this can be invaluable for a young person. While volunteer roles for under 16 year olds may be more difficult to find, hvoss can help -- get in touch.

What can I do?

Almost anything. We have over 500 different volunteer opportunities registered and more become available all the time, across the county. You might be interested in working on the ‘front line’ or perhaps you’d be happier ‘behind the scenes’; either way, there’s something for everyone.

How do I do it?

Contact the **hvoss Community Team** for more information or pop into our office at **52 Broad Street, Hereford HR4 9AB** -- next door to Greggs! -- for a warm welcome and an informal chat.
